August 2019

The Editor's Corner

Our annual Gene Brooks Toys for Tots event was a great success for the kids, just wish the wind had cooperated a little more but I think that everyone enjoyed there day at our field. A BIG thanks to everyone that attended. After expenses we raised \$850 and donated 18 toys and 5 stocking stuffers to the kids. A special thanks to Bill Gentry, Gary Bow and Steve Howard who donated planes that we raffled off and sold with all the proceeds going to the kids. Also thanks to Gene Crider and John Pangburn for handling the registration and raffle, to Gary Bow, Mike Reynolds and spouse, Steve Russell (and others that I missed) for doing the concessions, Jack Sallade for the PA system and Vern Doty for the finances. I am sure that I missed a few folks but thanks to everyone that helped and participated.

Our September club meeting is next Monday, Labor Day, at 7pm at the field so come out early and get in some flying before the meeting. Our October meeting will be back at the church as the sun sets at 7:30 PM on Oct 1. There are several events coming up. The Indiana Warbird Campaign is this Thurs-Sat at AMA site in Muncie featuring lots of giant scale warbirds and classics. They normally have an excellent show at noon on Fri and Sat. Then on Sept 7 is the Heartnut Festival flyin at the Johnson County field, the ADA event at the Southside on Sept 14 and our fall Indy RC Modelers fall Picnic/pitchin on Saturday Sept 28. We will also be having another float fly in early October at Roy's pond.

I put a new roll of black tape in the shelter so if you put a tear in the Geotex with a plane/prop please fix it with the tape before you leave.

See you at the field!

Ted
