Indianapolis R/C Modelers Chapter 288

WWW.INDYRCMODELERS.COM

June 2021

## The Editor's Corner

We had a good turnout for the Cubs and Floaty Flyers event with 26 registered pilots. Everyone had a good time with no hard landings. We did have a member sliced his finger on an APC prop trying to start his engine—so be careful out there folks.

Our next club event is our Fly Anything RC on July 10. It is open to flying any type of RC aircraft. Registration at 9am, flying at 10am till everyone is done. We have an Eflite PT17 1.1 M PNP plane for the pilot raffle. Even if you don't want to fly come on out to the field, buy a lunch for \$5 and some raffle tickets and support the club.

The new picnic tables have been purchased and will be assembled this weekend and ready for July 10.

Our training program is coming along. We have had several new and potential members flying the Aero Scouts. We have purchased a sign to be put out by the road when instructor pilots are available and we have cards made up announcing program. We are also in discussion with several youth groups on coming to the field to try flying

The Indy South Club got a little extension on the use of the field and are having more Ticket fly-ins—see the event sheet for dates.

Dues for 2021 need to be paid now. You can send a check to Vern (address on this page). Dues for single are \$85, junior \$42.50 (18 and under) and family \$115. Put your AMA number on the check. Include a self-addressed stamped envelope and Vern will mail you your 2021 club card with the new combination for the lock on the gate and building. Remember that Vern will not mail you your card unless your AMA is valid through 31 Dec 2021 so if you have not renewed your AMA either call them or go online and pay for your updated AMA today. Be well and stay healthy and safe

Meeting Minutes June 2021

Event Calendar

**The next meeting will be held on Monday, 5 July at the field a 7pm**

## **Minutes from the Indianapolis RC Modelers Meeting 7 June 2021**

The meeting was opened at 1900 by Secretary Ted Brindle

22 members in attendance

Minutes of previous meeting read and approved

Treasurers report read and approved—currently 62 paid members

Ted thanked Mark Moriarity, his fiancé' Sandy that did the labor of roofing and the members that donated the materials.

Under old business Ted reviewed the purchases/donations associated with the TAG grant that the club received from AMA. We have purchased 2 Aero Scout planes, DX6 TX, 6 batteries, and some spare parts. Ted is lending the club a DX6. Club members have donated DX6e, a couple DXe TXs and a couple batteries to outfit our training program. The planes have been tested and we have had a couple students already using them.

Under new business Ted announced that the club had received the field grant from AMA. A majority of what we requested related to our to our expenses from the new Geotex last year but it did include 2 new picnic tables. The tables will be purchased and ready for our July Flyin.

Ted and Jack reviewed the upcoming Cubs and Floaty Flyers event scheduled for Saturday, June 12. The hamburgers for the lunch will be purchased from Sisters in Morristown like last year.

Meeting was closed at 1930 with lots of flying to follow.
