Indianapolis R/C Modelers Chapter 288
WWW.INDYRCMODELERS.COM
January 2023

The Editor's Corner

The winter club meetings we will be at the Trinity Park United Methodist Church at 207 West Park Avenue Greenfield, IN 46140. The meeting is held in the gym at the rear of the building. We have indoor flying starting about 1700 and the meeting starts at 1900. This is a small gym but we can fly our small UMX slow flyers and night vapors.

Hope to see lots of club members and at this meeting along with anyone considering joining the club for 2023. If you are renewing your membership you can also save \$10 by paying your 2023 dues at the meeting. If you wait to renew your membership until after the February meeting the fee is \$100.

Check out the events page at the end of this newsletter for indoor flying events and area swap meets this winter and next spring. Ted

Meeting Minutes December 2022

Presidents Corner

Event Calendar

Club meeting— Monday February 6 at 7pm at the Church

Minutes from the Indianapolis RC Modelers Meeting 2 January 2023

Meeting opened at the Shelbyville Community church at 1905—24 members present

Minutes of December meeting approved as read

Treasurers report approved as presented—current 2023 membership is 42 and several more renewed at this meeting

Discussion items:

The starting stands at the field need refurbishment—so far we have 4 of the 5 stands covered— Robert Edwards agreed to adopt the 5th stand for refurbishment.

Jeff discussed that in addition the having a contest direct for each club event it would be best to have an “Event Sponsor” for each event. This person would be responsible to putting together the event notice, getting needed volunteers as needed, getting event prizes and donation and coordinate with the contest director on other related event tasks.

Event Sponsors are as follows: EDF Event—William Brewer, Cubs Event—Jack Sallade, Fly Anything RC Event—Ted Brindle, Toys for Tots event—Tony Stillman, All Electric Fun Fly/Swap meet—Jeff Thomas.

Tony Stillman discussed the current status of AMA and the Community Based Organization approval and the status of the FRIA designations.

Meeting closed at 1940.

Following the meeting Jack Sallade gave a presentation on “Everything you should know about our RC Lipo batteries”
