Indianapolis R/C Modelers Chapter 288  
WWW.INDYRCMODELERS.COM  
October 2023

## The Editor's Corner

I missed the great flying weather last week and now it is snowing. I hope the warmer weather with sun and lite winds comes back for a few days yet this fall.

At the November meeting we will discuss and finalize the schedule for club events for 2024 so we can get them on the AMA schedule. If you have any thoughts or ideas on changes or updates to our events let us know ASAP.

Mark your calendar for our Club Christmas party on December 2nd at Shelbyville Community Church. More information on that event will be discussed at the club meeting Monday, Nov 6th.

For the new members of the club we have a big club event at the field on January 1 every year. We start with flying just before sunrise and we are there regardless of weather—it has been 60 degrees with fog and negative 20 with snow so plan to attend and join the fun

It is time to pay you club dues—you can bring you check or cash to the club meeting or mail to Vern at the address listed on the right.

See you at the Club meeting at the Church November 6th

Ted
