

Indianapolis RC Modelers Club (IRCMC) Members:

**Welcome to the Indy RC Modelers Club
Common Club Airplane Program 2024!**

Here is this year's plan:

Same Simple Rules:

- All factory E-Flite or PZ 1.1M fixed-gear T-28's, stock props, parts, ESC's and motors only
- Airplane factory flow-lines and dimensions as built only, no modifications
- All flying 3S 1800 or larger LiPos, no LiHVs or other cell types
- Any receiver brand, gyro or non-gyro as desired
- Any paint scheme or add-on stripes/decals/numbers
- Larger wheels allowed if desired. All flights ROG with Landing Gear installed
- Older models may use new motor, newer models may NOT use older motor.

Scheduled Events Plan (weather permitting):

Events start at 2:00PM on each day

- April 20th
- May 25th
- June 22nd
- July 20th
- August 24th
- September 7th
- October 5th (Final Event)
